

Joni Mitchell booked For shore jazz festival

Folk singer Joni Mitchell, who appears at the Atlantic City Pop Festival, Friday, Aug. 1, is attached in several ways to others associated with the event Aug. 1-2-3 at the Atlantic City Race Course in nearby Mays Landing.

Joni's boyfriend is Graham Nash, a member of Crosby, Stills & Nash, a group slated to appear on Friday along with Miss Mitchell. Joni's song, "Both Sides Now," was recorded by Judy Collins, who is engaged to Steve Stills, of the aforementioned group.

Following her Atlantic City appearance, because of "just plain fatigue," Joni probably won't appear publicly again until next spring.
