The Radio Society has planned a big hootenanny next Friday.

Jubilation Singers from Vancouver; Bill Roberts from South Carolina, and the local talent of Peter Ebling, Sidney McElvey, Joni Anderson and the Will Millar Trio will perform in the gymnasium.

The show will be video-taped and shown to local audiences within the next few weeks.

About 85 girls from five other Western Canadian universities are visiting UAC for an invitational basketball and curling weekend.

Teams from Manitoba, Regina, Saskatoon, Edmonton and Vancouver are meeting for the only time this year to compete for the Western Canadian Intercollegiate Athletics Association championships.

UAC coaches Sally De Mans for the basketball team and Mrs. Howie for curling said both Calgary teams have a good chance in this year's competition.

Last year, UBC won the basketball championship and U. of A., the curling trophy.
