Verse 1:

5555	7777	CC0000

Back in 1957 we had to dance a foot apart

BA0000	980000

And they hawk-eyed us from the sidelines

BA0000	CC0000

Holding their rulers without a heart

5555

And so with just a touch of our fingers

7777	CC0000

Oh we could make our circuitry explode

BA0000	980000

All we ever wanted

||||||| |||||||
7777|| CC0000
||||||| |||||||
Was just to come in from the cold

 ||||||| |||||||
 BA0000 980000
 ||||||| |||||||
Come in oh come in from the cold

||||||| |||||||
BA0000 CC0000
||||||| |||||||
Come in come in come in

||||||| |||||||
BA0000 980000
||||||| |||||||
Come in from the cold.

Same chord shapes for the next verses:

We really thought we had a purpose
We were so anxious to achieve
We had hope
The world held promise
For a slave to liberty
Freely I slaved away for something better
And I was bought and sold
And all I ever wanted
Was to come in from the cold

Come in
Come in from the cold
Oh come in
Come in from the cold

I feel your leg under the table
Leaning into mine
I feel renewed
I feel disabled
By these bonfires in my spine
I don't know who the arsonist was
Which incendiary soul
But all I ever wanted
Was just to come in from the cold

Come in
Come in from the cold
Oh come in
Come in from the cold

I am not some stone commission
Like a statue in a park
I am flesh and blood and vision
I am howling in the dark

Long blue shadows of the jackals
Are falling on a pay phone by the road
Oh, all they ever wanted
Was to come in from the cold

Come in
Come in from the cold
Oh come in
Come in from the cold

Is this just vulgar electricity
Is this the edifying fire
Does your smile's covert complicity
Debase as it admires
Are you just checking out your mojo
Or am I just fighting off growing old
All I ever wanted
Was just to come in from the cold

Come in
Come in from the cold
Oh come in
Come in from the cold

I know we never will be perfect
Never entirely clear
We get hurt and we just panic
And we strike out
Out of fear
I fear the sentence of this solitude
200 years on hold
Oh and all we ever wanted
Was just to come in from the cold

Come in
Come in from the cold
Oh come in
Come in from the cold

When I thought life had some purpose
Then I thought I had some choice
And I made some value judgments
In a self-important voice
But then absurdity came over me
And I longed to lose control
Oh all I ever wanted
Was just to come in from the cold

Come in
Come in from the cold
Please come in
Come in from the cold
Come in come in
Come in from the cold.
