SONG:

1. No tongue in the bell and the fish wives yell
2. In the court they carve your legend
3. You've got to shake your fists at lightning now

1. But they mght as well be mute
2. With an apple in its jaw
3. You've got to roar like forest fire

1. So you get to keep the pictures
2. And the women that you wanted
3. You've got to spread your light like blazes now

1. That don't seem like much
2. They get their laughs
3. All across the sky

1. Cold white keys under your fingers
2. Long silk stockings on the bedposts
3. They're gonna aim the hoses on you

1. Now you're thinking that's no substitute
2. Of refinement you're too raw
3. Show 'em you won't expire

4. It just don't do it
5. They think you're too raw
6. Not til you burn up

1. Like the song of a warm warm body
2. It's the judgement of the moon and stars
3. Every passion not even when you die

1. Loving your touch
2. Your solitary path
3. Come on now

2. Draw yourself a bath
3. You've got to try

|44444

2. Think what you'd like to have for supper
3. If you're feeling contempt well then you tell it

2. Or take a walk, a park, a bridge , a tree
3. If you're tired of the silent night Jesus

|55555

2. A river
3. Well then you yell it

2. Revoked but not yet cancelled
3. Condemned to wires and hammers

2. The gift goes on
3. Strike every chord that you feel

2. In silence, in a bell jar
3. That broken trees and elephant ivories

2. Still a song
