

JoniMitchell.com Transcription for Guitar

Woodstock

Author: Harlan Thompson

EADGBE, 'Joni' Tuning: x55545

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

Em

I came upon a child of God

A

He was walking along the road

And I asked him "Where are you going?"

Em

And this he told me

"I'm going on down to Yasgur's farm

A

I'm gonna join in a rock and roll band

I'm gonna camp out on the land

Em

And try and get my soul free"

CHORUS #1:

A

We are stardust, we are golden

Em

D

Em A Em

And we've got to get ourselves back to the garden

Em

Huy do do do do do do huy do do do do do do

Huy do do do do do do huy do do do

Then can I walk beside you
I have come here to lose the smog
And I feel to be a cog in something turning
Well maybe it is just the time of year
Or maybe it's the time of man
And I don't know who I am
But you know life is for learning ...CHORUS #1

By the time we got to Woodstock
We were half a million strong
And everywhere there was song and celebration
And I dreamed I saw the bombers
Riding shotgun in the sky
And they were turning into butterflies
Above our nation ...

CHORUS #2:

We are stardust, billion year old carbon
We are golden, caught in the devil's bargain
And we've got to get ourselves back to the garden

NOTE: This are the piano chords for guitar, more or less. The CSNY version is quite different- I can't figure that version out at this point.
