1st verse:

000232                    030010                    020000  
Eyes that send me chasing after feelings that I

002020  
lost one day

000232                    030010                    020000  
Why befriend me    when the brandy    tells me what they

002020  
want to say

030010            020000                    002020  
Playing big protector is a grand

000232    030010                    020000  
disguise until you contra- dict yourself with

002020    000232  
brandy    eyes

2nd verse:

No beginning and still no end  
to let me shrug and walk away  
silly grinning, teasing talk  
that promises a kiss someday  
I would put you out of mind  
if I were wise, but wisdom  
has no power over brandy eyes.

3rd verse:

Maybe I'm wrong, if I am,  
please pardon me and pat my head  
Sing an old song, sing of one more  
foolish heart that's been mislead  
take the points for winning  
and donate the prize  
and keep right on a-scoring with  
those brandy eyes.
