           strum           strum

```

000000
All day I face the

777700
barren waste

000000
without a taste of

777700
water Cool

000000
water

555500
Old Dan and I

777700
our throats slate dry

999800
our spirits

555500
cry out for

000000
water

777700
Cool clear

999800
water

000000
Keep on movin' Dan

777700
some devil's had a plan

000000
buried poison in the sand

777700
don't drink it man

999800
it's in the water

222222
cool clear

000000
water

555500
In my mind I see

777700
a big green tree

555500
and a river flowin' free

777700
waitin' up ahead for

999800
you and me

222222
cool clear

000000
water

222200

Additional verses:

The nights are cool and I'm a fool
Each star is a pool of water
Cool water
but come the dawn, we carry on
we won't last long without water
Cool clear water
Keep on movin' Dan
We're still in no-man's land
Dry bones and sand
People never planned here for water
Cool clear water
In my mind I see a big green tree
And a river flowin' free
Waiting up ahead for you and me
Cool clear water

000000
The shadows sway

777700
they seem to say

000000
tonight we pray for

777700
water Cool

000000
water

555500
And way up there

777700
If you care

999800
Please show us

555500
where there's good

000000
water

777700
Cool clear

999800
water

222200	000000
Cool clear	water
Cool clear	water
Cool clear	water
