The "x02010" chord is a hammer-on chord (except one in the chorus). I am uncertain if they are all heard on the Ladies of the Canyon album. However, I did hear all of them on a live Second Frets Sets recording, so I decided to keep them in anyway. I also made a couple of minor corrections since my last post (Thanks Howard!).

A = 10th fret  
C = 12th fret  
D = 13th fret

Additional lyrics:

We'll find a table in the shade  
And sip our tea and lemonade  
And watch the morning on parade  
In morning, Morgantown

Ladies in their rainbow fashions  
Colored stop and go lights flashing  
We'll wink at total strangers passing in  
Morning, Morgantown  
(Chorus)

I'd like to buy you everything  
A wooden bird with painted wings  
A window full of colored rings  
In morning, Morgantown.

But the only thing I have to give  
To make you smile, to win you with  
Are all the mornings still to live  
In morning, Morgantown.  
(Chorus)
