Additional verse:

We'll stare into a mirror pool  
And laugh so princely vain  
The skies become kaleidoscopes  
With no two turns the same

And pebbles send them dancing off  
In ripple rings of sun burnt clouds and windy blues  
And maybe we will fall in love  
Before the day is through

The daisy summer piper's come to town  
Piping people out of doors  
To see the magic all around
