Sweet Bird

Author: Marian Russell CGDGBD, 'Joni' Tuning: C77543

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

Note: Between a lot of the chords there are places where you make an up-strum and use 000000. I didn't write them all in. Listen to Joni play the song and try to get a feel for them. +++++++++++++++ Intro: 444200 442000 444200 442000 444200 442000 444200 442000 1st verse:
