

Tin Angel

Author: Marian Russell

EADGBE, 'Joni' Tuning: E55545, Capo: 7

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

All fingerings are indicated in relation to their positions from the capo.

This tablature is of the first verse and the ending of the song. The first verse is longer than the second and third verses. Also, there are some subtle differences in the actual notes played in each verse. However, if you learn the first verse and listen carefully to the track on the CD, you should be able to pick up enough of the style to figure out how the second and third verses should be played.

2nd Verse:

Dark with darker moods is he
Not a golden prince who's come
Through columbines and wizardry
To talk of castles in the sun

Still I'll take a chance and see
I found someone to love today

3rd Verse:

There's a sorrow in his eyes
Like the angel made of tin
What will happen if I try
To place another heart in him

In a Bleecker Street cafe
I found someone to love today
I found someone to love today
